

We still receive too many solicitations on the telephone even though we are on the Indiana "Do Not Call" list. I see no real good reason the bankers should be excused from the rules of the Do Not Call list as this only opens the door for others. I must confess I am not overly impressed with the larger banks as they are not orientated to smaller (6,500) communities such as Rochester.

Please do not exempt them from the Indiana Do Not Call List
